ELNEC© is a nationally recognized curriculum that is not only informative and rich, but looks great on resumes! The course includes didactic, skills practice, and exercises to help understand the experience of loss, as well as self reflection around the topic of EOL. Target audience is RNs, Social Workers, Case Managers, and ARNPs who work with chronically ill, elderly, or just have an interest in learning about EOL care!

Sign up today, space is limited!

The goal of education is the advancement of knowledge and the dissemination of truth.

John F. Kennedy

Topics to be covered:
