

RE: Application for Medical Staff Membership

Dear Practitioner:

Thank you for your inquiry regarding membership on the Northwest Hospital Medical Staff. Membership on the Medical Staff is dependent upon an applicant's education, training and experience and is based upon institutional criteria.

Once a formal application has been accepted, Medical Staff Bylaws, and the hearing rights set out in those Bylaws, apply. Hearing rights are not applicable to persons in the pre-application stage.

Please find enclosed is our application materials. If you have any questions regarding the credentialing process, please contact Amy Tangonan, Supervisor, Medical Staff Services at 206-668-1809.

Very truly yours,

Santiago Neme, M.D.
Chief Medical Officer
